### Transcribe Scotland's Places -

This project aims to create transcriptions of various resources in the website. These are images of historic archives which contain handwritten information about the people and places in Scottish history, some concerning Perthshire.

The project needs more volunteers, so if you have a couple of hours a week to give to this valuable project, go to [www.scotlandsplaces.gov.uk/transcribe](http://www.scotlandsplaces.gov.uk/transcribe) to register.

### Section Summer Outings 2014

**The Committee really  
need to know your  
views on Outings in 2014.**

Do Members wish them to be arranged, i.e. will they be supported ? and

What type of Outing do Members wish to see arranged ? and

Which days/dates suit Members for any such Outings ?

Please let me know at your earliest convenience so that I can collate responses before putting your ideas to the Committee.
