We trust that you had a good Festive season, and are now turning your thoughts to getting the mind back into gear, so here are three resolutions which it is not too late to add !

There are three scheduled Meetings of the Section before the end of the 2012-13 Session, after a splendid collection of talks so far. The remainder should prove to be equally interesting and informative.

Visitors and new members are always Welcome

**Summer Outings 2013**

The Committee has decided that there will be NO Summer Outings in the forthcoming summer. This is because of shortage of manpower on the Committee. Naturally, the Committee regret having had to make this decision, and trust that you will be able to suggest folk to sit on the Committee at the AGM in March to carry forward this aspect of the Section's activities, and pump some more gas into the tank !

**AGM 2013**

The Papers for the AGM, to be held in the Mackenzie Room of the A K Bell Library, on Wednesday 20<sup>th</sup> March, will be sent out in good time for you to consider nominations to the Committee.
