

PERTSHIRE SOCIETY OF NATURAL SCIENCE

1st March 2022-28th February 2023

Welcome to the Perthshire Society of Natural Science. Since its founding in 1867, the Society has been at the centre of Perth’s cultural and intellectual life.

The Society runs a series of public lectures on Friday evenings from October to March in partnership with Culture Perth and Kinross called “Curious Minds”. These explore aspects of contemporary science in Scotland and elsewhere. The speakers, from universities and research institutes, tell us about their work in an interesting and accessible way. There is a charge of £2 for members and students and of £6 for non-members for the Curious Minds talks. Tickets are available at e-computers, Kinnoull Street, Perth and on Eventbrite (Search Perth Curious Minds), or can be bought at the talk.

The Society also has Sections devoted to a particular interest: Archaeology and History, Nature and Photography. Each Section organizes its own series of winter talks on Wednesday evenings, and of summer excursions.
