

PERTSHIRE SOCIETY OF NATURAL SCIENCE

1st March 2023-28th February 2024

Welcome to the Perthshire Society of Natural Science. Since its founding in 1867, the Society has been at the centre of Perth's cultural and intellectual life.

We run a series of public lectures called "Curious Minds" on Friday evenings from October to March in partnership with Culture Perth and Kinross. These explore aspects of contemporary science; speakers tell us about their work in an interesting and accessible way. PSNS members receive a substantial reduction on ticket price; tickets are available through Perthshire Box Office at <https://www.perththeatreandconcerthall.com/perthshire-box-office>.

The Society also has Sections devoted to a particular interest: Archaeology and History, Nature and Photography. These organise various activities - for further information see the PSNS website at <https://www.psns.org.uk>.
